

TAKE A STAND... SAVE THE BAND

Boxted Methodist Silver Band has been serving communities in North Colchester and beyond since its formation in 1898. After housing a century of music making the historic School Room in which the Band rehearses is now being sold.

BMSB play on but without a home in which to rehearse over a century of dedication could be consigned to history.

A message from our Chairman...

"We need your help to ensure Boxted Methodist Silver Band survives and can continue to serve the Stour Valley in future generations. This very real threat is happening now!"

The Band has until 10th August to raise at least £145,000. Your donations of any size will help us reach this sum and secure this unique village treasure.

*Sir Bob Russell,
High Steward of Colchester*
